

Nutri Advanced's Fish Oil Range

OmegaGenics®	Eskimo®-3	Eskimo®-3 Extra	Eskimo®-3 Brainsharp
OmegaGenics® is a responsibly sourced, IFOS certified, high strength fish oil providing 1,000mg of EPA & DHA in a single capsule.	Eskimo®-3 is a pure and stable omega-3 fish oil providing high levels of fatty acids EPA and DHA in their naturally present concentrations.	Eskimo®-3 Extra has the same benefits as the original Eskimo®-3 products but in a stronger form. This high strength formula allows for greater dosages with fewer capsules.	Eskimo®-3 Brainsharp combines original Eskimo®-3 with ingredients including CoQ10 and GLA to optimise brain structure and brain function.
1 capsule daily <i>Available in capsule</i>	3 capsules between 1 and 3 times daily or 1 teaspoon (5ml) per day <i>Available in capsule form or lime flavoured liquid</i>	1-2 capsule daily <i>Available in capsule</i>	2 capsules twice daily or 1 teaspoon (5ml) per day <i>Available in capsule form or lime flavoured liquid</i>
Eskimo® Balanced Mind	Eskimo®-3 Bright Kids™	Eskimo®-3 Healthy Kids	
Eskimo® Balanced Mind is a high EPA omega-3 fish oil that may help support a balanced mood.	We know that it can be difficult to get our kids to eat enough fish which is why we designed a fuss-free alternative. Designed specifically for children, Bright Kids™ contains the right amount of DHA to support healthy brain function, tastes great and is easy to take.	Specifically formulated to provide key nutrients that are important for children up to 12 years, Eskimo®-3 Healthy Kids combines an optimal balance of fatty acids including omega-3, 6 and 9 together with vitamins D and E.	
1-3 capsules daily <i>Available in capsule</i>	1 chewable jelly splat daily <i>Available in orange flavoured jelly splats (chewable tablets)</i>	1 teaspoon (5ml) per day <i>Available in a tutti frutti or orange flavoured liquid</i>	

Why Choose Nutri Advanced's Fish Oil Range?

Pure ✓

Nutri Advanced fish oils are purified in a process where pressing, centrifugation and molecular distillation all take place in accordance with GMP and pharmaceutical standards. State-of-the-art technology is used to ensure our fish oil products contain no environmental toxins or residue from the manufacturing process.

Fresher for Longer ✓

Our fish oils are enriched with antioxidants to ensure long term stability. This stability ensures there is no fishy aftertaste, something that is associated with fish oils that have gone off.

Sustainable ✓

Our fish are always sourced from fisheries that observe best practices for protecting endangered species and their ocean environments.

- ✓ Provides the essential omega-3 fatty acids EPA and DHA which are often lacking in those who rarely eat fish
- ✓ Supports healthy brain function
- ✓ Supports cardiovascular health
- ✓ Supports normal vision
